Mr. Robert R. Simmons
Staff Director
Select Committee on Intelligence
United States Senate
Washington, D.C. 20510

Dear Mr. Simmons:

On behalf of the students of the Advanced Intelligence Seminar, I wish to thank you, Gary J. Schmitt and Peter Sullivan for meeting with them on the afternoon of 11 May. The course director reported the session was informative and appreciated your candor in answering their questions.

This Seminar is an attempt to broaden middle- and senior-grade officers by exposing them to subjects they would not normally encounter in their jobs. A visit to Capitol Hill to examine the legislative process is an important aspect of this program. Your discussion on the work of the Select Committee on Intelligence and its role in overseeing our Agency greatly contributed to their understanding of the changing relationship between the executive and legislative branches of government.

I hope we may continue to call upon you in future Seminars.

Sincerely,

Director

Training and Education
